

## ALASKA PACKING ADVICE AND LIST

Be prepared for cool and wet weather. After all, this is Alaska! From mid- June to mid-August, expect lows in the upper 40s to low 50s. Highs will be in the 50s -70s. We can sometimes reach 70 or higher. Maybe you'll get lucky! Always be prepared for rain. There are Laundromats if you need to wash clothes. Bring a set of twin sheets, pillowcase, and towel per person. Good news, we do have stores here in the Last Frontier, at least in Anchorage, and TAX FREE on most items. Wal-Mart, Fred Meyer, Costco, etc....

Jeans are standard for Alaska, even for church. No need to waste valuable packing space bringing religious clothes. Remember you will want to take souvenirs home.

**Remember luggage and weight restrictions!**

**Items that can be bought in Alaska TAX FREE**
